About Us

We would like to present our company **ASLANKAYA KIMYA** as one of the biggest soap and soap noodles producer in Turkey with a yearly capacity of 50.000 tons, located in Gaziantep City and established in 2017.

Our company is a member of **ASLANKAYA GROUP OF COMPANIES** which consists of Textile Factory, Iron Steel Factory, Metal Profiles Factory, Construction Company and Logistics-Transport Company.

Our factory has **50.000 m²** open area and **15.000 m²** covered area equipped with the last Italian technology soap production lines and packing machines.

We produce soap under brands **EVISSA, EVILA, WINEX and ROJEX** by paying utmost care for high quality, with attractive packing designs and by using fragrances imported from world wide known producers. We do also produce soap noodles for soap producers and Glycerine as by-product of Pharma - Tech-nic grade.

Our mission is to produce higher quality products with competitive prices to meet customer pleasure , giving the best service and make the production with utmost care for human health by respecting the environment.

Quality Policy

Quality is the main focused goal in order to keep customer satisfaction high. **ASLANKAYA** determined the goal to reach the world standards and to be a global brand and acts according to this strategy with;

- Complying quality management system standards and improving the efficiency of the system regularly.
- Providing a peaceful working environment by giving value to their employees and supporting their development constantly.
- Improving company performance at every stage of production and support process.
- Complying with national and international legislations for occupational health and safety and protecting environment.
- Being an exemplify establishment by respecting society we are living in and contributing country economy by improving the business volume.

As a company that has proven its reliability with 30 years of experience , we are committed to follow and improve all above.
